Crosses The Eternal Divide  
After Lingered Illness

## INTERMENT AT ODD FELLOWS CEMETERY

Miss Bessie Bennett, daughter of Mr. and Mrs. A. J. Bennett, of this city, died at her home Tuesday night after a long suffering from complications of diseases. She has been confined to her home for sometime past and, though not unexpected, her death came as a shock to her family and many friends. She was a patient sufferer and bore her afflictions with much courage.

The deceased was 34 years of age and having spent a great portion of her life in Earlington she numbered her friends by her acquaintances. She will be remembered for her noble character and sunny disposition and her especial kindness to all with who she came in contact.

Funeral services were conducted at the residence by Rev. Z. T. Connaway, and interment took place at the Odd Fellows cemetery at Madisonville in the presence of a number of friends and relatives.

Besides her parents she leaves three sisters, Mrs. Hugh Griffin, Mrs. Rice Bowles and Mrs. L. B. Todd, and two brothers Oscar and Clyde Bennett. The family have the sincere sympathy of their numerous friends in this hour of sympathy.

### Why Not Publish It

When you want a fact to become generally known, the right way is to publish it. Mrs. Joseph Kallans, Peru, Ind., was troubled with belching, sour stomach and frequent headaches. She writes, "I feel it my duty to tell others what Chamberlain's Tablets have done for me. They have helped my digestion and regulated my bowels. Since using them I have been entirely well." ### "CASCARETS" CLEANSE LIVER AND BOWELS

No more Headache, Bad Colds, sour stomach and constipation

Get a 10-cent box now.

Are you keeping your liver, stomach and bowels clean, pure and fresh with Cascarets—only merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system the constipated waste matter and poison in the bowels.

No odds how sick, headachy, bilious and constipated you feel, a Cascaret tonight will straighten you out by morning. They work while you sleep. A 10 cent box from your druggists will keep your head clear, stomach sweet and your liver and bowels regular for months. Don't forget the children—their little insides need a gentle cleansing, too.

## FIRE AND WATER SPOUT FROM SEBREE WELL

Abandoned Well 3,200 Feet Deep, Ejects Strong Flow of Gas

Sebree, Ky., Oct. 13.—The oil well at Sebree, which is 3,200 ft deep, turns out to be a water and fire well. Ever since the well was abandoned several weeks ago a strong flow of gas and water has been coming out of the well and for weeks the gas has been burning and continues to burn day and night. It is quite a sight to see both water and fire coming from the same hole in the ground. The blaze shoots up several feet and can be seen clearly from the trains at night. The well is located about one-half mile south of the Sebree depot on the right side of the railroad going south.

Your money back if not satisfied, but it does give almost instant relief.

## TRACKS OVER WATER

In extending the solid fill of the Southern Pacific's Lucin cut-off across Great Salt Lake, the mountain at Lakeside, Utah, is gradually being cut away and dumped into the lake. Since 1905, when the Harriman project for avoiding Promontory Peak by throwing the tracks straight across the Great Salt Lake was completed, over 1,125,000 cubic yards of rock and limestone formation have been put in place at a cost of over \$2,000,000. The solid fill is now over 20 miles long and in spots 35 feet deep. Piles picked in the lake show no signs of decay, the salt of the water acting as an excellent preservative.

## THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Your hair gets soft, fluffy and luxuriant at once

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25 cent bottle of Knowlton's Danderine at any drug store or toilet county; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now.

## The Man Who makes Money Out of It.

OUT in Portland, Ore., one day last month, Oscar Harris, a blacksmith, cut a woman's throat. The woman was his wife, and, after killing her, he killed himself. The murdered woman was bling. We quote the Portland "Evening Telegram":

Harris had been drinking heavily of late and was supposed to have attacked his helpless wife while in an alcoholic frenzy. That his wife, who had been blind for some time, put up an unequal struggle against the drink-maddened murderer was apparent from the jumbled confusion of the furniture and from the condition of the woman's face.

This fall Oregon votes dry or wet, and women vote in the election. What will Oregon voters say to the Harris case? What do you think of the man who sold Harris his whiskey, and what do we all think of the cozy, respectable distiller of the whiskey, who lives on one of the best streets in his town and enjoys the comforts of the civilized State?

### Readers of This Paper

Thousands upon thousands of wo-  
men have kidney or bladder trouble  
and never suspect it.

Women's complaint often prove to  
be nothing else but kidney trouble  
or the result of kidney or bladder  
disease.

If the Kidneys are not in a healthy  
condition, they may cause the other  
organs to become diseased.

You may suffer a great deal with  
pain in back, burning down feelings  
headache and loss of ambition.

Poor health makes you nervous  
irritable and may be despondent; it  
makes any one so.

But hundreds of women claim  
that Dr. Kilmer's Swamp-Root, by  
restoring health to the kidneys,  
proved to be just the remedy need-  
ed to overcome such conditions.

A good kidney medicine, posses-  
sing real healing and curative value  
should be a blessing to thousands  
of nervous over-worked women.

see what Swamp-Root, the great  
Kidney, Liver and Bladder Re-  
medy will do for them. Every read-  
er of this paper, who has not al-  
ready tried it, by enclosing ten cents

### MOTHER SUPERIOR ROSARY HILL HOME

Tells How Vinol Restores Strength and Vitality to the Weak, Worn-Out Ones in Her Charge.

Rosary Hill Home, Hawthorne, N. Y. — "I have been at work among the sick and poor for nearly eighteen years, and whenever I have used Vinol for run-down, weak or emaciated patients, they have been visibly benefited by it. One patient, a young woman, was so weak and ill she could hardly creep to my door for aid, and was leaning on a friend's arm. I supplied Vinol to her liberally and in a month when she returned to thank me I hardly recognized her. She was strong, her color charming and her cheeks rounded out. These words are uttered from my heart, in order that more people may know about Vinol, as there is nothing makes me happier in the world than to relieve the sick." — Mother M. ALPHONSE LATROP, O.S.D., Hawthorne, N. Y.

Such disinterested and reliable testimony should convince everyone of the merits of Vinol, our delicious cod liver and iron tonic to build up health and strength for all weakened and nervous conditions, whether caused from overwork, worry or chronic coughs and colds. If Vinol fails to benefit we return your money.
